Supplemental Engineering Personnel
For Contracts & Specifications Section**

The following revisions are made to the referenced Statement of Qualifications package:

QUESTION #1: The SOQ says that ADOT is accepting Statements of Qualifications from firms to provide 2 Supplemental personnel. Does this mean that each firm is to submit 2 packages for 2 different engineers?

ANSWER #1: Each firm may submit as many SOQ packages as they have qualified engineers.

QUESTION #2: The amendment for Contract 09-26...the due date was changed from 1/2/09 to 12/18/08 – just eight days from now. Is that correct or was the intent to move it out to a later date in January due to the holidays?

ANSWER #2: Yes, that is correct. The due date is December 18, 2008.
